- Our message to share:
 - **The CARCD forestry committee provides support to RCDs to better position themselves to be leaders in forest management**, whether that's by providing support to develop their capacity at a local (eg, establishing a local Fire Safe Council) or higher level (eg, effectively engaging in regional or statewide issues)
- What critical written material will be available?
 - How to Become a Technical Service Provider (Jenn Shepard/John Henshaw)
 - *"Get After It – A local guide...."* (Jenn Shepard)
 - Committee Info Sheet (Mark Egbert/Laurie Tippin)
 - What Else?
- Table volunteers – 1 hour shift – Who's able to commit today?
 - Phil Noia
